Bring Creativity To life, Unleash Your Inner Artist LOVE ART! LOVE KIDS!

Mindart Studio, founded by U.S.-educated designers with degrees in art design, offers a unique blend of traditional painting and drawing skills with expertise in digital media and design. Our approach, inspired by the emphasis on artistic literacy and creativity in American K-12 art education, builds on the core elements of art and design principles. We focus on nurturing children's creativity, integrating professional design thinking into their artistic expression, and providing respectful, supportive, and educational companionship for their artistic growth.

Art Enlightenment Class

2024 Summer

Jun 3-Aug 11
10 WEEKS
Daly City
Each class is 1.5 hrs, weekly
Semester Tuition: \$490

(\$45/class, Includes \$40 Material fee)

*Registration Fee: \$50

(for new/return students ONLY)

Enrollment Eligibility
3-5 years

Every child should have an enlightenment period where they are interested in drawing and experimenting with materials. Open to young children who like to doodle and have a desire to express their ideas.

Class Objectives

Guiding and inspiring students through thematic contents, lean and engage in creative activities

- 1.5 hours per week to complete a small piece of work on a related theme that is simple and easy for children.
- Themes are unique. Teacher will provide reasonable guidance to encourage children to doodle, and use abstract form to express the figurative form.
- No pressure on children. The cultivation of drawing interests is the main focus, and children will have more freedom for expression.
- Teacher will patiently accompany the children, creating a sense of security while they are drawing.
- The teaching pace is relatively slow, allowing children more time and space to engage with art.
- Develop children's patience and perseverance.

Enrollment Eligibility
5-7 years

This age group is the period when children’s creativity develops. We welcome children who enjoy drawing and have a desire to express themselves.

Class Objectives

The summer course primarily focuses on teaching acrylic painting techniques and is the favorite painting class among children

- Each class lasts 1.5 hours, with a new theme introduced every two weeks and a painting completed every two weeks.
- The course aims to delight children during their color-sensitive period and cultivate their understanding of basic colors.
- Through four different thematic directions, children are guided to learn painting techniques, covering color coordination, blending, brushwork, and gradients. While experiencing the joy of colors, they will learn to use colors to create their own worlds.
- The studio maintains strict standards to ensure each student's work is completed satisfactorily and to prevent chaos. Art is not only enjoyable but also requires perseverance and a determined mindset.

Painting Syllabus

Enrollment Eligibility
7-9 years

Open to students who like to draw, but occasionally encounter small troubles when creating artworks. Open to students who want to improve their drawing skills and learn professional drawing techniques.

Class Objectives

The summer course primarily focuses on teaching watercolor painting techniques. Through exercises on various themes, students' watercolor creative abilities are cultivated

- Each class lasts 1.5 hours, with a new theme introduced every two weeks, and a watercolor painting completed every two weeks.
- Through exploring different themes, we aim to strengthen painting knowledge while enhancing children's creativity and skills. They will use their rich imagination to create various objects, express themselves genuinely through symbols, and learn to create independently.
- The course adopts a progressive approach, guiding students from techniques to concepts, from objective rules to subjective self-awareness, gradually understanding and mastering watercolor knowledge.
- Starting from the basic tools to brushwork, fundamental techniques, color mixing, and composition principles, we delve into learning progressively.
- Our studio management maintains strict standards to ensure each student's work is satisfactorily completed, preventing disorderly and chaotic paintings. Art is not just about fun; it also requires perseverance and a determined mindset.
