2026 FALL • AUGUST 18 – DECEMBER 20 • DALY CITY

Art Enlightenment Class

Building creative thinkers through art, design, and exploration.

New for Fall 2026: 17 Premium Classes + 1 Signature Workshop

Who It’s For

Ages 3–5

Where curiosity begins. Through hands-on art experiences, young children develop creativity, confidence, focus, and self-expression.

Our Learning Approach

Theme-Based Learning

A new theme each week helps children explore nature, animals, stories, and the world around them.

Hands-On Exploration

Children explore a variety of art materials while developing creativity, fine motor skills, and sensory awareness.

Observation & Self-Expression

Children are encouraged to observe, experiment, and express their ideas with confidence through art.

Creativity Over Perfection

There is no single “right” artwork. Every child is encouraged to think independently and create in their own way.

Tuition

Tuition: \$796 (\$42/class)

Thanksgiving Break: 11/23–11/29

- Fall Semester: Aug. 17 – Dec. 20
- 17-week program (1 class per week, 1.5 hrs/class)
- 1 Signature Workshop (2 hrs)
- \$40 Art Materials Fee

Enrollment Offer:
A \$50 registration fee applies to new and returning students. Current Mindart students receive free registration when enrolling for the next semester.

2026 FALL • AUGUST 18 – DECEMBER 20 • DALY CITY

Creative Art Class

Building creative thinkers through art, design, and exploration.

New for Fall 2026: 17 Premium Classes + 1 Signature Workshop

Who It’s For

Ages 5–7

A key stage for developing creativity, critical thinking, and problem-solving skills through meaningful, hands-on learning.

Our Learning Approach

Project-Based Learning

Children develop ideas from sketch to finished artwork, experiencing the full creative process through projects.

Art Beyond the Classroom

Art connects with science, history, nature, architecture, and culture, helping children explore the world through creativity.

Exploring Different Media

Children experiment with a variety of art materials, learning how to choose the best medium for their creative ideas.

Original Thinking

Rather than copying a sample, children develop their own ideas, think independently, and create with confidence.

Fall Course Plan

No Class: 11/23–11/29

A progressive curriculum that guides students from skill-building to independent creative work.

Premium Classes

Cartoon Character Class

Bring Characters to Life.
Inspire Stories Through Design.

New for Fall 2026: 17 Premium Classes + 1 Art Practice Experience

Who It’s For

Ages 7+ | Character Design Foundations

Designed for students with drawing experience who enjoy creating original characters and stories while developing their own character design style.

Our Learning Approach

Character Design Fundamentals

Build strong character design skills through studies of proportions, poses, expressions, and costume design.

Original Character Development

Create original characters by exploring personality, color, and visual design.

Visual Storytelling

Learn how characters, environments, and props work together to tell engaging stories.

Personalized Creative Guidance

Individual guidance helps students refine ideas, strengthen designs, and develop their own creative style.

Fall Curriculum **No Class: 11/23-11/29**

Develop character design skills, visual storytelling, and original creative thinking through character creation and story development.

Premium Classes

Design • Express • Create

WEEK 1-17

1.5 hrs/class

Create cartoon character project step by step, guided by your own creative ideas.

Character Foundations

Learn proportions, facial features, poses, and expressions.

Character Development

Develop costumes, hairstyles, color palettes, and character personalities.

Story & Scene Creation

Combine characters and environments to strengthen composition and visual storytelling.

Project Refinement

Refine and polish original artwork with personalized instructor feedback.

Art Practice Experience

Inspire • Innovate • Create

2026 FALL • AUGUST 18 – DECEMBER 20 • CASTRO VALLEY & DUBLIN

Elite Competition Class

A personalized path for artistic growth and future success.

Who It’s For

Ages 8+ | Original Creators

Designed for students with solid drawing skills who are ready to create original artwork and prepare for international art competitions.

Admission: Portfolio Review Required

Our Training Approach

Original Thinking

Develop independent observation, creative thinking, and a personal artistic voice through original concept development.

Project-Based Practice

Follow a professional creative process — Research → Ideate → Sketch → Create → Refine — while building strong project planning and execution skills.

Personalized Mentorship

Receive individualized guidance, regular critiques, and continuous refinement based on each student’s strengths and artistic goals.

Long-Term Growth

Build a competitive portfolio through original projects while preparing for international art competitions and future artistic development.

Fall Course Plan **No Class: 11/23-11/29**

Develop original thinking, artistic excellence, and competition-ready projects through professional mentorship and long-term studio practice.

Long-Term Studio Projects

WEEK 1-17
2 hrs/class

Research · Create · Refine

Complete multiple original projects inspired by international competition themes while strengthening creative thinking, visual communication, and professional studio practice.

Research & Inspiration

Conduct research, collect references, and develop original concepts.

Concept Development

Explore ideas, experiment with approaches, and build a strong creative direction.

Sketch & Refinement

Refine compositions, visual language, and project development through iterative sketching.

Studio Production

Transform concepts into finished artworks with technical precision and creative expression.

Critique & Competition Preparation

Strengthen each project through critiques, revisions, and final refinements for international competition submission.

Tuition

Total Tuition: \$1315 (\$75/class)

Thanksgiving Break: 11/23–11/29

- Fall Semester: Aug. 17 – Dec. 20
- 17-week program (1 class per week, 2 hrs/class)
- \$40 Art Materials Fee

Enrollment Offer

Registration is \$50. Current Mindart students receive FREE registration when re-enrolling.

AP Art & College Portfolio Class

A personalized path for artistic growth and future success.

Fall Course Plan **No Class: 11/23-11/29**

Develop creative inquiry, independent thinking, and portfolio-level work through sustained studio practice and professional mentorship.

Long-term Creative Projects

Research • Create • Present

WEEK 1-17
2 hrs/class

Develop a Sustained Investigation that demonstrates personal inquiry, artistic growth, and the standards of the AP Art Portfolio.

Research & Investigation

Conduct visual research, gather references, and establish a focused direction for sustained inquiry.

Concept Development

Refine ideas through experimentation, sketching, material exploration, and iterative development.

Portfolio Production

Create and refine a cohesive body of work while strengthening conceptual connections and artistic quality.

Critique & Artist Statement

Strengthen visual communication through critiques, revisions, and Artist Statement development.

Portfolio Submission Preparation

Organize and prepare the AP Portfolio for College Board submission while building a competitive portfolio for college applications.

Who It's For

Grade 9+ | AP Art & Portfolio Students

For students with strong drawing foundations preparing for AP Art, art school applications, or portfolio development.

Admission: Portfolio Review Required

Our Training Approach

AP Art Curriculum

Build creative, technical, and conceptual skills through the College Board AP Art framework.

Sustained Investigation

Develop a personal body of work through research, experimentation, and creative inquiry.

Portfolio Development

Refine projects, presentation, and organization for AP Art and college portfolios.

College Preparation

Prepare Artist Statements, portfolio reviews, and application materials for AP Art and college admissions.
